

Scrum 3:

Sprint: Completing Milestone 2

Progress Review

- Everyone has completed their parts of the Milestone
- Took longer than expected but still completed

Completed During Today's Meeting:

- All of us took a look at the Milestone before handing it in

Future Tasks:

- Arpit will post the documents into the Scrum photos on GitHub
- The team will reflect on the past and discuss it at the next meeting. All of us will get prepared for Milestone 3
